Our special thanks to Rosemary Duffy Larson for her generous donation to renovate the garden and our special thanks to the Showe Family for their donation of the Statuary of Jesus praying in the garden and the Mosaic of Our Lady of Guadalupe in memory of their father, Hugh Burke Showe, friend of Our Lady of Victory.

A special thank you to the following individuals who through their time, talent and treasure made the placement of our new statue in our Meditation and Prayer Garden possible; Mike Paxton, Vince Paxton, Bob Paxton, Bill McDevitt, Jesse Oddi and Jeff Gudenkauf, who through his generosity supplied two of his employees along with the large forklift needed to unload, lift, and place the statue in the designated location. This is a fine example of the generosity and passion that exemplifies the members of the Our Lady of Victory Parish Family.

# BISHOP'S 2018 ANNUAL APPEAL

Dear Parishioners,

The Bishop's Annual Appeal provides us an opportunity to share our Faith and the many gifts which God has bestowed upon us with our brothers and sisters in need. The theme of the Bishop's Annual Appeal this year is *"Sharing His Love, Encouraging Hope"* and encourages each of us to be willing to be the hope so many are desperately looking for. In sharing our material blessings, we will help to strengthen our ministries, educate our young people, support the vocations of those called to the Priesthood and married life and bring comfort to the ill and the lonely.

Our Parish goal this year is **\$71,753** which I am confident we will reach with everyone's help. Every dollar that we raise over our Parish goal will be returned to our Parish to be used for the particular needs of our Parish.

May God bless you and your loved ones.

Sincerely in Christ,

Msgr. Romano Ciotola

## MAY IS MENTAL HEALTH AWARENESS MONTH

*Embrace. Welcome. Participate.*

**All people are created in the image of God; their dignity and worth cannot be diminished by mental illness.**

As Catholics, we are called to embrace an ever-clearer vision of each human person as created by God with inherent dignity and worth. This truth is not diminished when someone struggles with various illnesses or behaviors, including mental health concerns. Pope St. John Paul II reminded us of this fundamental truth in 1996 at the International Conference for Health Care Workers:

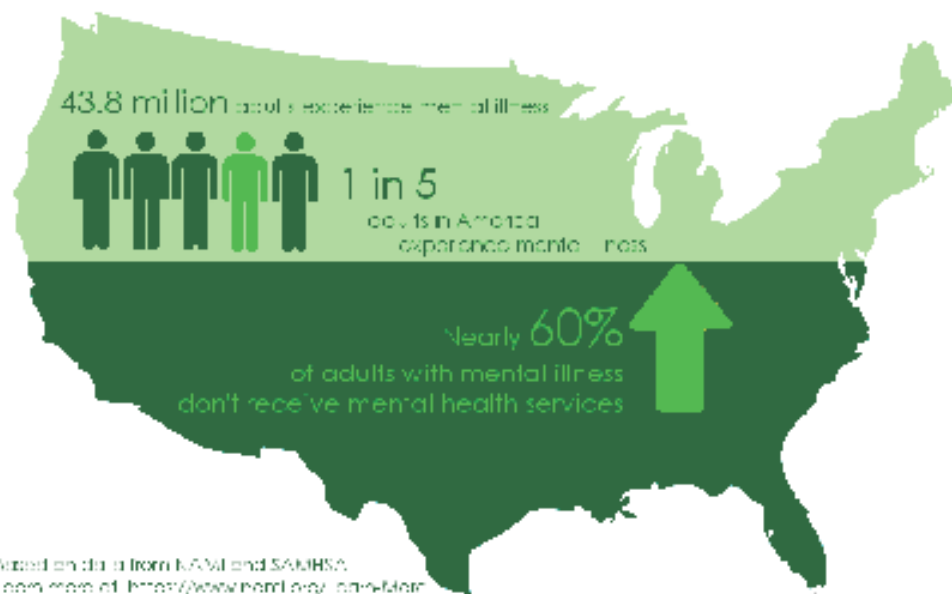

**“Whoever suffers from mental illness always bears God’s image and likeness in themselves, as does every human being. In addition, they always have the inalienable right not only to be considered as an image of God and therefore as a person, but also to be treated as such.”**

Mental health includes our emotional, psychological and social well-being. It affects how we think and act and helps determine how we handle stress, relate to others, and make choices (Mentalhealth.gov). When a person suffers from mental illness, it can interfere with their everyday life and can result in an inability to cope with life’s ordinary demands and routines (NCPD).

Mental illness, as with any health-related issue, can vary in severity and look very different from person to person. Oftentimes, we may not observe the warning signs that someone is struggling with their mental health. This does not mean that the warning

signs are not there, or that the problem is insignificant and should be ignored. Unfortunately, there is also stigma attached to mental illness which may lead people who are struggling to isolate themselves, choosing not to share that they are hurting, and not seek help or treatment.

As a faith community, we are called to support our brothers and sisters suffering from a mental health condition, offering the unconditional and non-judgmental love they deserve. Rather than accept the misconceptions surrounding mental illness, we can increase our awareness of its symptoms and effects, and identify the local resources. Moreover, we must be in relationship with

others, bringing hope and comfort in times of crisis or pain by offering prayers of healing and accompaniment through treatment. Together, the parish can be a place of healing for all people and their families!
