TEN REASONS TO PRAY THE HOLY ROSARY (EXCERPT)

FATHER ED BROOM, O.M.V.

Mary's Favorite Prayer

Our Lady has a prayer that fills her heart with joy—the Hail Mary and the most Holy Rosary. Every time the Hail Mary is prayed with attention and sincere heart, Our Lady's heart is filled with joy. Therefore,

let us offer ten points to motivate us to pray the most Holy Rosary.

1. Our Lady of Fatima

Our Lady of Fatima appeared in Fatima, Portugal six times to three little shepherd children: Jacinta, Francisco, and Lucia. In every one of these six apparitions Our Lady said: "Pray the Rosary."

2. Her Title

Finally at the end of her apparitions Our Lady gave herself the title: "Our Lady of the Rosary." Therefore, if Our Lady insisted six times to pray the Rosary and actually called herself "Our Lady of the Rosary," common sense tells us that she really wants us to pray the Rosary!

3. Pope St. John Paul II

This great modern saint and spiritual giant strongly encouraged the world to pray the most Holy Rosary. In his writing *The Blessed Virgin Mary and the Rosary* the Vicar of Christ insisted that we pray the Rosary. He himself said, at the start of his pontificate, that the Rosary was his favorite prayer.

4. For the Sake of the Family

In this same document Saint Pope John Paul II insisted that we pray the Rosary for the sake of the family which is under attack and in crisis. With the growing numbers of separations and divorces, with so many children without the warmth of the family, now more than ever we must pray the most Holy Rosary. The Holy Father quotes the Rosary-priest, Father Patrick Peyton: "The family that prays together stays together."

5. For World Peace

The document of Saint Pope John Paul II came in the wake of the terrorist attack in New York City with the Twin Towers. Therefore, another reason to pray the Rosary now, more than ever, is for the sake of world peace. With the threat of ISIS, nuclear arsenals, and general tensions growing among nations, the Rosary can be our shield and safeguard.

6. To Save our Children

Never have we lived in a society with so many dangers, especially with respect to our children and teens. Of great importance is the virtue of purity. The mass media, the modern school and teaching agenda, billboards and posters, modern movies and TV programs militate fiercely against the virtue of purity. And, to be honest, we live in a pornographic society!

Devotion to Our Lady and the family Rosary can serve as a shield against this onslaught and deluge of filth that is descending upon the world, especially our children and young people. In a word, we must shield our children in the most pure and Immaculate Heart of Mary; she is an oasis, a refuge, and ark of safety and protection. We must find refuge in the ark of Our Lady's Immaculate Heart—most certainly a safe refuge!

7. To Order our Disorders

As a result of the Original Sin that we all inherit in the moment of our conception, our life is marked with disorder. Our thought process, our will, our emotional state of being, our soul, our intentions, our family and social life—all have a certain disorder.

8. For Interior Peace Of Mind And Soul

Another wonderful effect of praying the most Holy Rosary is peace of mind, heart and soul. We all desire peace and Our Lady of the Rosary also known with the title "Queen of peace" can definitely attain for us this peace that our hearts so ardently yearn. Saint Augustine defines peace as the tranquility of order. As the hymn reminds us: "Let there be peace on earth and let it begin with me."

9. It's a Biblical Prayer

Pope St. John XXIII stated that the Rosary is a summary of the whole of the Gospel. They are truly based on the Bible, even the prayers of the *Our Father* and the *Hail Mary* have their foundation in the Gospels. Therefore, by praying the Rosary fervently, we get to know Jesus and Mary better and better as presented from the Word of God, we fall in love with them and then we become their fiery and ardent Apostles in a world marked with so much coldness and indifference. As Pope Francis reminded us in his Lenten message: There is a widespread globalization of indifference because there is a lack of love of God in the world. This love can be planted and ignited through love of Our Lady and the Holy Rosary—a summary of the Gospels and a true Biblically centered prayer.

10. To Conquer our Adversities

David had to fight against the ferocious and malicious giant Goliath. Strategically, there was no way that the smaller, inexperienced, unprepared shepherd boy could conquer the giant Goliath. It was like an ant against an elephant. However, the Bible teaches us a very certain truth: Nothing is impossible with God.
